## COMMANDER'S CORNER

*By Michael Halperin*

The summer is about over and we will again go back to our meetings on the first Sunday in each month. The line officers will meet before the meeting to complete a tentative budget for the coming year. We did not renew the CD which we still had. We had to convert the CD and placed the \$6,000 into our general fund for future use.

In order for us to continue with our programs, it is imperative for us to continue to raise funds. Our best fund raiser is the Poppy Drive which we usually has two drives during the year. We cannot really only on four or five members to do the drives. There are several stores which we can use for carrying out our drives beyond the two which we more recently have been using. However, it takes more than what membership has been helpful in the past. We need more help to sustain our budget.

Our membership has dwindled due to members passing on. We have lost too many members who have attended our monthly meeting. We must increase our members. Therefore, I am asking that all those surviving members come out to the general monthly meetings to support this organization. Our survival depends on membership participation. We only meet ten times a year. All it takes is a few hours on Sunday morning. Get out of the house one day each month and you will be able to see other members and enjoy comradeship.

At the end of this month of September, we will be observing, the High Holy Days of Rosh Hashanah and Yom Kippur. I am taking this opportunity to wish our members a L'shanah Tovah to each member and their family, a Happy New Year.
